Trademark and Emblem Usage Policy

Purpose This policy governs the use of the names, seals, emblems, insignia, badges, crosses, banners, regalia, logos, and other identifying marks of Knights of The Kingdom of Christ Order. The purpose of this policy is to protect the identity, reputation, and goodwill of the Order and to prevent misleading, unauthorized, or unlawful use.

Covered Marks This policy applies to all corporate names, assumed names, logos, seals, heraldic designs, cross devices, chapter names, banners, taglines, emblems, regalia designs, and other brand identifiers adopted or used by the Order.

Ownership All covered marks, whether registered or unregistered, and all associated goodwill belong to Knights of The Kingdom of Christ Order, unless the Board expressly determines otherwise in writing.

Authorized Uses Directors, officers, members, chapters, volunteers, and approved vendors may use the covered marks only for authorized nonprofit purposes connected to the mission and activities of the Order and only in the manner approved by the Board or its designee.

Authorized use may include official correspondence, educational materials, charitable events, chapter communications, ceremonial materials, websites, and approved merchandise or printed matter.

Prohibited Uses No person or entity may use the covered marks in a way that: implies governmental, military, police, ecclesiastical, sovereign, or official historical authority; falsely suggests that the Order is the original medieval Knights Templar or an officially recognized sovereign order unless lawfully true and expressly authorized; damages the reputation of the Order; promotes unlawful activity; supports partisan campaign activity prohibited to the organization; or creates confusion about sponsorship, affiliation, or approval.

No chapter, officer, or member may register or attempt to register a covered mark in their own name or permit a third party to do so without written Board approval.

Vendor and Merchandise Controls Any use of the covered marks by a printer, embroiderer, jeweler, regalia maker, web designer, or other vendor must be approved in advance. The Board may require quality standards, style guides, sample approvals, and written vendor agreements.

Digital Use Websites, social media accounts, and digital materials using the covered marks must be accurate, dignified, and compliant with Order policy. Official accounts should be created or approved by authorized leadership. Unauthorized accounts that appear official may be required to change names, transfer control, or cease use.

Chapter Use Subordinate bodies may use the covered marks only while in good standing and only in accordance with their charter, this policy, and other written guidance from the Parent Order. Upon suspension, revocation, or surrender of a charter, the chapter shall promptly stop using the covered marks unless otherwise authorized in writing.

Enforcement The Board may take such action as it deems appropriate to stop unauthorized, misleading, infringing, or damaging use of the covered marks, including written notice, revocation of permission, disciplinary action, vendor termination, takedown requests, or referral to counsel.

Approval and Amendments The Board may adopt supplemental brand standards, emblem specifications, and approval procedures consistent with this policy. This policy remains in effect until amended or repealed by the Board.
